

# 2019 PARADE REGISTRATION UPDATE

## **IMPORTANT! PLEASE READ BEFORE YOU CONTINUE!**

1. The parade will be streamed on the CBS4 Facebook Live page. Therefore, every participant must have a signed waiver! No exceptions. It is required by the TV station that you agree to appear on the broadcast.
2. Turn off your pop-up blockers, most likely found in Control panel/internet/privacy.
3. Have all of your information handy before you start. Once entered, you cannot go back and change or add. Here are some of the questions you will be asked:
  - Unit mode notes – include a detailed description of what you will feature in your unit; we will use this information to determine your acceptance
  - Number of participants – include drivers, walkers and people handing out candy
  - Unit length – will be used for line-up purposes; approximately how many FEET do you need in the staging area
  - Unit Description -- what you want our parade announcers to say about your unit; please provide a brief script when you register!

When all of your information is prepared, [CLICK HERE TO PROCEED](#)
