Eligibility:

Contestants must have Indiana state residency to be eligible to participate in the CarmelFest Has Talent contest. Contestants who were awarded first place in the previous year may not compete in the same category the following year.

Individual applicants are only eligible to enter into one age category as determined by the contestant's age on July 4th 2023. **A group applicant**, that is comprised of more than one musician, will enter into the age category into which the majority of your musicians fall. Groups must consist of 6 people or less. Due to constraints on stage space and electrical capability, **CarmelFest Has Talent will need to determine how many/which type of instruments can be accommodated on a case by case basis** as registrations are submitted. Decisions on whether or not certain instruments can be accommodated will be communicated to the contestant prior to auditions, but the decisions made by CarmelFest Has Talent will be final.

Eligibility to participate in CarmelFest Has Talent requires that contestants are not professional musicians; do not or have not in the past had any type of talent representation such as a talent agent or manager, a music recording contract, a merchandising contract, or any other contractual arrangement related to an ongoing musical performance (for example, a paid professional musical theater role).

Contestants who progress to the final performance round agree to be available to participate during the July 4th performance. Contestants who are not available for the final performance round will forfeit the opportunity.
