Senior  
Living Caregivers

Respiratory Therapists

Hospital  
Medical Staff

The 2021 Centier Bank CarmelFest Parade committee would like to honor our Healthcare Heroes by inviting you to participate in our grand marshal unit. Honorees will include our frontline healthcare workers, first responders and senior living caregivers working in the professions shown in the above graphic. Our committee members have chosen you for this special tribute because we feel you have all helped our community navigate the COVID-19 crisis even with the risks involved to your own personal health.

Our parade steps off at 10:30am on Monday, July 5th and our community spectators would love to give you a huge Hoosier thank you for serving those in need during the pandemic. If you belong to one of the categories mentioned above, can walk a two-mile route and would like to be included in our grand marshal unit, please register on our CarmelFest.net website under the parade section by clicking on the Healthcare Heroes Grand Marshal Unit link and then complete the questionnaire. You will also find the details you need regarding your staging location and the time you need to arrive on parade morning.

We encourage you to wear comfortable shoes and your identifiable scrubs or medical attire. Parking is limited so please carpool with co-workers if possible.

Thank you for your professional services that only you can provide!
