

PARADE REGISTRATION UPDATE

IMPORTANT! PLEASE READ BEFORE YOU CONTINUE!

1. The parade will be streamed on the CBS4 and CarmelFest Facebook Live pages. Therefore, every participant must have a signed waiver! No Exceptions! It is required by the TV station that you agree to appear on the broadcast.
2. Turn off your pop-up blockers which are most likely found in control panel/internet/privacy.
3. Have all information handy before you start. Once entered, you cannot go back and change or add. Here are some of the questions you will be asked:
 - **Unit mode notes:** include a detailed description of what you will feature in your unit as we will use this information to determine your acceptance
 - **Number of participants:** include drivers, walkers and people passing out candy
 - **Unit length:** approximately how many FEET do you need in the staging area for lineup purposes
 - **Unit description:** please provide a brief script when you register so our parade announcers can describe your unit as you pass the review stand

When all of your information is prepared, [CLICK HERE TO PROCEED](#)
